## 1 Introduction

In accordance to The GEOBIZ Project Management Plan (D6.2.1) following levels and bodies of management are foreseen:

- Project Management Board
- Project Advisory Committee
- Project Coordinator
- Project Office
- Work Packages (Work Package leaders)
- Task Groups (Task leaders)

The GEOBIZ project organisation and relations between project bodies is shown in Picture 1.

Picture 1: Project bodies and organization

Each Project partner will establish its own project team consisting minimally of a project team manager, a project team contact person and teachers/trainers/researchers. There is also space foreseen for administrative staff of various kind.

The Project work itself is organized in Work Packages and Tasks headed by leaders. For each task, a task group is established consisting of appointed partners representatives.

### Document scope

The scope of version 1.0 of this document is to present all Project bodies in form of decisions which have been adopted at the Project Kick-off meeting held in Zagreb in February 4<sup>th</sup> – 6<sup>th</sup> 2020. and supplemented or corrected at the Project Management Board meeting held on-line on February 26<sup>th</sup>, 2020.

**Business driven problem-based learning for  
academic excellence in geoinformatics / GEOBIZ**

*With the support of the Erasmus+ program:  
Higher Education – International Capacity Building  
N° 610225-EPP-1-2019-1-HR-EPPKA2-CBHE-JP*

Co-funded by the  
Erasmus+ Programme  
of the European Union

The document is considered as a living document to be updated with possible changes in names or other. It is foreseen that next document version will also contain all Project partners teams.
