Chisinau, April 22nd, 2021

INVITATION

It is a great honor to invite you to participate in the the Business – Academia Partnership Workshop, an event organized within the “**Business driven problem-based learning for academic excellence in geoinformatics - GEOBIZ**” Project, 610225-EPP-1-2019-1-HR-EPPKA2-CBHE-JP610225- EPP-1-2019-1-HR-EPPKA2-CBHE-JP, ERASMUS+KA2 educational project, which will take place on **Thursday, April 22, 2021, from 10:00 AM**, in the hybrid format: at the Faculty of Constructions, Geodesy and Cadastre, Technical University of Moldova, Chisinau mun., 41, Dacia bd., Block of study nr. 10, hall 10-302, and on-line (Google Meet platform: <https://meet.google.com/zrx-ryen-qox>).

Representatives of public institutions, academia and business in the field of GIS are invited to the Workshop. The purpose of the workshop is to give an overview on recent development in geo-spatial business and education area focusing on GIS, Remote Sensing, National Spatial Data Infrastructure, Modern methods and techniques for spatial data acquisition. Speed of technology changes impose necessity to address challenges in these areas with goal to search for and develop new forms of Business-Academia cooperation which will support modern, business oriented education and synergy between stakeholders.

The workshop is organized by the Technical University of Moldova/Faculty of Constructions, Geodesy and Cadastre in partnership with the Tiraspol State University/Faculty of Geography, partner institutions in the ERASMUS+ KA2 educational project – GEOBIZ (<http://geobiz.eu/>).

We would be honored to have you participate in this event and we are convinced of your valuable contribution to it.

The Agenda of the event is attached.

Regards,

The GEOBIZ Project implementation team
