Podgorica, May, 17th 2021.

INVITATION

It is a great honour to invite you to participate in the **Business-Academia Partnership Workshop**, an event organized within the Erasmus+ Ka2 CBHE “Business driven problem-based learning for academic excellence in geoinformatics - GEOBIZ” project (No. 610225-EPP-1-2019-1-HR-EPPKA2-CBHE-JP), which will take place on May 25th, 2021.

Business-Academia Partnership Workshop will be organized in the hybrid format:

- at the Rectorate of the University of Montenegro, Cetinjski put 2, Podgorica starting at 12:00 and
- online via MS Teams: [link](#).

Representatives of public institutions, academia and business in the field of GIS are invited to the Workshop. Topics covered will focus on GIS, Remote Sensing, National Spatial Data Infrastructure, Modern methods and techniques for spatial data acquisition, as well as Business-Academia cooperation challenges in these areas. The workshop is organized by the Faculty of Philosophy of University of Montenegro, partner institutions in the [GEOBIZ project](#).

Participation in the workshop is free, but due to the Covid-19 epidemic, registration is required at [registration form](#).

We would be honoured to have you participate in this event and we are convinced of your valuable contribution to it.

S poštovanjem,

Prof. dr. Goran Barović
